- o A Women's Rain Suit is missing. If you have it or any knowledge of it, please contact Jim.

- o The prizes leftover from the drawings will be held until our anniversary party and we will have drawings for these items from the members in attendance.
- o Question was posed about the transmitter used last year to broadcast the band over a radio station while on the water. Will look into getting that again for next year.

- o Event is benefiting the Habitat for Humanity efforts in Becker County.
